## PROFESSIONAL SUMMARY

Aspiring MERN Stack Developer pursuing an M.Sc. in Computer Science with 5 months of hands-on web development internship experience. Skilled in building responsive web applications using React, Node.js, Express.js, and MongoDB, with a strong foundation in software development and problem-solving. Eager to contribute and grow in entry-level software and full-stack development roles.

## WORK EXPERIENCE

### Web Developer Intern — The Digitech Solutions

Nov 2025 – Mar 2026

Pune

- Developed and maintained client websites using HTML, CSS, JavaScript, and CMS platforms.
- Built responsive web pages optimized for desktop and mobile devices.
- Collaborated with design and content teams to deliver website improvements on time.
- Diagnosed and resolved technical issues, ensuring smooth website maintenance and uptime.

## EDUCATION

### M.Sc. computer Science

2024-present

Prof. Ramkrishna More ACS (autonomous) College, Akurdi, Pune

## TECHNICAL SKILLS

JavaScript, Python, Java, C • HTML • CSS • Tailwind CSS • React.js • Node.js • Express.js • AngularJS • MongoDB • PostgreSQL • Neon DB • Git • GitHub • VS Code • Thunder Client • REST APIs • JWT Authentication

## PROJECTS

### Sattva By Mrunmayee | HTML, CSS, JavaScript

- Designed and developed a professional portfolio website for a practicing dietitian.
- Built a clean, responsive interface focused on service presentation and client engagement.

### Personal Portfolio | HTML, CSS, JavaScript, React

- Built and deployed a personal portfolio website to showcase projects and skills.
- Implemented responsive design with smooth navigation and clean UI.

### Task Manager App | React, Node.js, Express.js, MongoDB, JWT

- Built a full-stack MERN task management application with JWT-based authentication, protected routes, and full CRUD operations for tasks.
- Implemented user registration and login, task search, and filter functionality (All / Completed / Pending) using React, Axios, and Tailwind CSS on the frontend.
- Designed RESTful API endpoints with Express.js and Mongoose, secured with bcryptjs password hashing and JWT middleware for route protection.

## CERTIFICATIONS

- SAWIT.AI Learnathon Program – SAWIT.AI (2024)
- Full Stack Web Development Internship - Online (2025)
